3. OFFER AND ORDERS

3.1. When an offer is of limited validity or is made subject to conditions, this will be mentioned explicitly in the offer.
3.2. Availability of products: the products that we offer for sale are displayed on our website on the day and time the customer consults the website. We will undertake all reasonable steps to ensure that we can fulfill our customers' orders. We are however not liable for any damage that may arise from the unavailability of a product. When a product that has been ordered is not available, we will inform the customer of the entire or partial cancellation of his order via e-mail. In the event payment has been made by the customer prior to such cancellation, we will refund the customer as soon as reasonably possible.
3.3. Our website contains a good faith description of the products as well as the order process. We are not liable for damages that may arise from any mistakes in such description of the products or order process. We will take all reasonable steps to ensure that mistakes that have been brought to our attention are rectified as soon as reasonably possible.
3.4. In order to purchase a product, the customer must place such product in his shopping basket. The customer can finalize his purchase in accordance with the instructions provided on our website. The customer's purchase is final upon receipt of an order confirmation via e-mail.
3.5. Notwithstanding the right of consumers to withdraw their order in accordance with Article 9 below, orders cannot be cancelled.

6. DELIVERY

6.1. All products will be delivered at the address that has been designated by the customer during the online order process and in accordance with the modalities set forth during such process. For each order, the customer can only designate one address. The customer is bound by the information that he has provided in the online order process. 6.3. We aim to have our products delivered within 8 working days upon receipt of payment. The delivery dates are indicative and not binding. Failure to respect such delivery dates shall not entitle the customer to any right of compensation.
6.4. When the product leaves our storage facility, the customer receives an e-mail with a track and trace number that allows the customer to follow his package. This package will include a delivery note with an overview of the ordered products.
6.5. The products will be delivered to the customer or any other person that is present at the designated delivery address. As of delivery of the products, any risks of loss or theft of, or damage to, products shall pass to our customer. We cannot be held liable for any damage that may arise from receipt of a delivery by a person, other than our customer, present at the designated delivery address. In case nobody is present at the designated delivery address, our courier will leave behind a message with further instructions regarding delivery and/or pick-up of the order. If a customer fails to accept delivery in accordance with such instruction, we will not be held liable for any damage that may arise as a result thereof.

Absent such notification within seven (7) days, the customer is no longer entitled to submit a complaint for non-conformity in quantity or for visible defects. Our customer service will provide the customer with instructions for return of the products. In any event, a customer may only return a product after our written confirmation. This Article 7.1 is without prejudice to Article 7.2.
7.2. Consumers also enjoy a legal warranty in accordance with Article 1649bis until 1649octies of the Belgian civil code. A complaint for hidden defects of a product can in any event be notified to our customer service in writing at the latest within two (2) months after the discovery of such defect. Our customer service will provide the customer with instructions for return of the products. In any event, a customer may only return a product after our written confirmation.
7.3. For professional customers, claims for hidden defects must be made within a period of six (6) months after delivery to the customer and within fifteen (15) days following the discovery of the defect by the professional customer. Any such notice must be in writing and must include reasonably detailed

information on the products and the defects in respect of which the customer raises the claim.

8. LIABILITY

8.1. Our warranty provided for visible or hidden defects covers the replacement of the products or their refund, at our sole discretion, with the express exclusion of any other warranty. We cannot be held liable for any damage incurred by a customer because of visible or hidden effects. We can in any event not be held liable if the customer's damage arises from the customer's misuse of the products. Only the customer is responsible for the use he makes of the products.
8.2. We cannot be held liable for any damages, disadvantages or inconveniences that arise from the use of the internet, in particular any disruption of our services, foreign hacking or viruses.
8.3. We are only liable for damage caused due to non-compliance with our contractual obligations, if and insofar as this damage is caused by our fraud, deception or intentional failure. The deadline is met if the consumer sends back the goods before the period of fourteen (14) days has expired. The products must be returned in their original package. The consumer will have to bear the direct costs of returning the products.

We will reimburse the consumer all payments received from the consumer, including the costs of delivery (with the exception of the supplementary costs resulting from the consumer's choice of a type of delivery other than the least expensive type of standard delivery offered by us), without undue delay and in any event not later than fourteen (14) days from the day on which we are informed about the decision to withdraw. We may however withhold reimbursement until we have received the goods back or the consumer has supplied evidence of having sent back the products, whichever is the earliest. We will carry out such reimbursement using the same means of payment as the consumer used for the initial transaction, unless the consumer has expressly agreed otherwise; in any event, the consumer will not incur any fees as a result of such reimbursement.
